Sir,

World directory of medical schools

I have the honour to refer to your letter addressed to Dr Dal Poz, concerning the request to list the St Martinus University, Faculty of Medicine, Curaçao, in the *World directory of medical schools*.

As indicated in an earlier communication from Dr C. Murray, WHO is now publishing the *World directory of medical schools* (Base Year 2000), in an electronic form on the WHO Web site: http://www.who.int/hrh/documents/HRH_documents/en/index1.html. Updates to the base year file are published regularly in an "update file", consisting of schools that have a name or location changed and schools that are newly established.

Pursuant to the additional information set out in your letter, I am pleased to confirm that the St Martinus University, Faculty of Medicine, Curaçao will be listed in the next Update to the *World directory of medical schools*, to be published on the WHO website in January 2004.

Please accept, Sir, the assurance of my highest consideration.
